Singapore Cooperation Programme (SCP) Postgraduate Scholarship offered under the Singapore-Africa Partnership Leading to Growth and Sustainability (SAPLINGS) Package

The Singapore Cooperation Programme (SCP) is Singapore's flagship platform to extend development assistance to fellow developing countries.

Singapore is committed to support Africa's development through capacity building. SAPLINGS represents the continuation and expansion of the Singapore-Africa Partnership Package (SAPP), which operated from 2022 to 2025. The new three-year SAPLINGS package focuses on priority areas of mutual interest to Singapore and African nations, particularly in sustainability, digitalisation, and governance.

The SAPLINGS package, which runs from 2026 to 2028, comprises: (a) customised courses or study visits; (b) priority placement in SCP Calendar Courses; (c) postgraduate scholarships for selected programmes at Singapore universities; and (d) sponsorships for selected Executive Education Programmes (EEPs) at Singapore universities.

Scholarship Eligibility

To qualify for the scholarship, candidates **must first apply and be admitted to one of the seven master's programmes eligible for sponsorship on his/her own merit.** As there may be different admission requirements depending on the preferred course of study, interested applicants should refer to the respective university / programme website for more details.

In addition, scholarship candidates must fulfil the following criteria:

- Be an African government official with at least five years of work experience;
- Hold a Bachelor’s Degree with honours or equivalent;
- Be proficient in spoken and written English;
- Be endorsed for the scholarship by their respective National Focal Point (NFP).

The above criteria are minimum eligibility requirements for the scholarship. As selection is competitive, meeting these criteria does not guarantee award of the

scholarship. Please also note that late or incomplete scholarship applications will not be considered.

Scholarship Terms

The scholarship is for a one-year full-time in-person course of study in Singapore. It covers the following:

- Programme fees
- Return-trip economy-class airfare
- Single-occupancy room on campus
- Monthly stipend

For Queries

Due to volume of applications, we regret that only shortlisted scholarship candidates will be notified.

You may wish to contact the university directly for the following queries:

- Status of your application to the course;
